15		09:00-17:00 M-Th; 09:00-16:00 F	15	We administer property (let to a tenant Trust), and run the Town Hall and another building as venues for activities ranging from dance-classes; tai-chi; and toy-libraries, to world-class sculpture exhibitions (Auguste Rodin, Anthony Caro, Henry Moore, David Nash); weddings; and musical and theatre events of all types. We also own a Community Centre, which is managed by our partners, the Community Association. We influence town planning (as a statutory consultee) and tourism, and provide various local amenities such as litter bins; bus-shelters and other street furniture. We offer 200 allotment plots at six sites across the town, and are joint owners of the 44 hectares (approx 110 acres) of open downland.	Website
