BURNTWOOD WAKES FESTIVAL 2009

Burntwood Town Council is delighted to announce that this year's BURNTWOOD WAKES FESTIVAL will take place on the weekend of 8th August 2009.

Look out for further details in our March newsletter and the local press.

NEW ROLE TO HELP BURNTWOOD COMMUNITY

Burntwood Town Council is pleased to welcome Ryan Waldron as the new Community Development Worker for the Burntwood area.

The new post (which has been jointly funded by Burntwood Town Council, Homezone and Lichfield District Council) has been set up to work closely with the local community and help make improvements to the area.

As part of his role, Ryan will be carrying out various environmental projects, organising family learning activities, supporting and establishing community groups, assisting in creating new volunteering opportunities and talking to local people to find out what changes they would like to see in and around Burntwood.

Ryan said that "I'm extremely excited about my new role and look forward to working with the Burntwood community to help improve its future".

Ryan is based at the Old Mining College Centre and can be contacted on 01543 308225 or by e-mail at ryan.waldron@lichfielddc.gov.uk

SAFETY AND WELLBEING EVENT INCLUDING SLOPPY SLIPPERS

Last year Lichfield District Council (LDC) worked in partnership with HomeZone Living, Age Concern and Burntwood Live At Home to carry out the very successful Sloppy Slippers project across the District. The aim of this project was to ensure that older people have suitable slippers to wear around the home because poorly fitting footwear can cause trips and falls. Those who took part were asked to donate £1 for the slippers which went back into the scheme.

LDC will be holding the event again this year at the **Oakdene Day Centre, Burntwood on Tuesday 3rd February 1pm—4pm.**

Slippers will be distributed on the day and there will also be a number of agencies giving out information and talking to people; there will be some taster sessions such as Tai Chi and Family History as well as information from CAB and a variety of other organisations.
