

## MEDIA RELEASE

### HAVE YOUR SAY

Neighbourhood planning is designed to provide a powerful set of tools to ensure that we get the right types of development in the right place for our community.

Burntwood Town Council is in the process of developing a Neighbourhood Plan for the Parish of Burntwood which incorporates the Vision for Burntwood, as proposed by the Burntwood Action Group.

There will be a public consultation event on Saturday 12 May at Burntwood Library and at the Old Mining College Centre, Queen Street, Chasetown from 10 a.m. until 2 p.m.

Councillor Richard Mosson, Chairman of the Neighbourhood Plan Committee said “I would encourage you to visit one of the events as this is your chance to have your say regarding the future of Burntwood.”
