Burntwood Town Council announces the winner of their Student Award in memory of Stephen Sutton MBE

Burntwood Town Council have announced the winners of their Student Award in memory of Stephen Sutton MBE.

The BTC Student Award was launched in 2015 to celebrate the life and achievements of Stephen Sutton MBE, and is available to talented young people to give them a practical helping hand in developing their skills and going on to achieve even greater things.

Scarlett Crompton and Daniel Ball, both students at Chase Terrace Academy, have each received £1,000 in recognition of their outstanding achievements and aspirations.

Daniel is a talented powerchair football player with aspirations for a career in sports journalism, and Scarlett is an exceptionally skilled artist specialising in graphite portraits.

Councillor Paul Taylor, Chair of Community and Partnerships Committee said "It was fantastic to meet Daniel and Scarlett today and talk about their passion for sport and art respectively. They headed an extremely talented and deserving field of entries for the relaunched Burntwood Town Council Student Award. I look forward to meeting them again in 12 months' time to hear how the award has benefitted them and helped them to achieve their goals".
